

Greetings from the Dock Depot & Marine Supply

What's New?

We want to first thank all of our customers for a great 2009. Despite the low lake levels and lagging economy, because of you we are able to continue to grow. We appreciate our customers and your support and loyalty. With that in mind, remember we are always open to suggestions and new ideas so we can better provide for you. We are excited about 2010; for the first time in four years we have a full lake. We have a lot of new things going on. New products, **new service department**, Depot Deals, and enhanced dock service. We look forward to seeing you and hope you have a great summer!

NEW TOYS & DEPOT DEALS

Check out the store for the newest lake toys and Hobie Cat Sailboats. We're now offering golf carts, new & pre-owned PWC's, boats, 4 x 4's and much more! **Ask us how we can help sell your PWC or boat.**

EASY CLIMB LADDERS

Tired of your pets bringing mud on the dock? Is it difficult to get in and out of the water with a regular ladder? Do you enjoy sitting on a stable surface in the water while cooling your feet? Come by and check out the new Easy Climb Ladder which is designed for comfort & ease. They are perfect for pets, children, the elderly, and anyone who desires easy entrance and exit from the water.

PWC, BOAT

SERVICE DEPT.

We are excited to announce we are expanding our service department to include all Boats, Personal Watercraft (PWC), and Power Sport Vehicles. We will provide service for Yamaha, Kawasaki, Honda, Polaris and SeaDoo as well as Mercuriser and Volvo. Come by and meet the new mechanics and check out our new service rates and pricing. We will offer parts and accessories, batteries, oils and will always have an open door policy. Our goal is to get you out of the shop and on to the water. We guarantee fair, honest and complete service and will always make ourselves available to you, our customer.

DOCK SERVICE

As always, if you have a need for your dock (whether you're a do-it-yourselfer or sick and tired of messing with the dock and want us to do it) we're here for you! We have new dock accessories that you'll want to see.

TUBE-EE-DOO

Last year we introduced the Tube-ee-doo Towable Rack which was received with great success! We will continue to offer those. We now have a portable dock winch to assist in pulling your dock in.
